

## Revised OL 21D Application

### Revised Form

The Automobile Dismantler Occupational License Application (OL 21D) form has been revised to include mandated data collection requirements for a new dismantler applicant.

### New Requirements

Effective immediately, applicants applying for a new Automobile Dismantler License, adding or changing a business location, must follow the requirements below:

- Complete the revised OL 21D (REV. 1/2010) which is available at: [www.dmv.ca.gov/forms/ol/ol21d.pdf](http://www.dmv.ca.gov/forms/ol/ol21d.pdf). Earlier versions of the OL 21D will no longer be accepted.
- Submit the application to your local inspector's office; you may call for an appointment to ensure timely service.
- Do not mail the OL 21D or other associated forms to the Sacramento Occupational Licensing Headquarters Unit.
- Direct all questions regarding Section B of the OL 21D (REV. 1/2010) to the applicable agency.

Effective January 1, 2011, existing licensees requiring renewal will be subject to the new OL 21D requirements.

**IMPORTANT:** A person holding a license pursuant to *California Vehicle Code (CVC)* §11501 must notify, the Department of Motor Vehicles (DMV), within 10 days, of any change in ownership or corporate structure of the license.

### Background

New legislation requires DMV to make a thorough investigation of the information contained in the revised OL 21D, accompanied by the appropriate fee, not later than 120 days from receipt of the application.

On January 1, 2011, renewal applications for the Automobile Dismantler license will be investigated.

**Automobile Dismantler Definition**

Pursuant to the California Vehicle Code Section 220, "An "automobile dismantler" is any person not otherwise expressly excluded by Section 221 who:

(a) Is engaged in the business of buying, selling, or dealing in vehicles of a type required to be registered under this code, including non-repairable vehicles, for the purpose of dismantling the vehicles, who buys or sells the integral parts and component materials thereof, in whole or in part, or deals in used motor vehicle parts. This section does not apply to the occasional and incidental dismantling of vehicles by dealers who have secured dealers plates from the department for the current year whose principal business is buying and selling new and used vehicles, or by owners who desire to dismantle not more than three personal vehicles within any 12-month period.

(b) Notwithstanding the provisions of subdivision (a), keeps or maintains on real property owned by him, or under his possession or control, two or more unregistered motor vehicles no longer intended for, or in condition for, legal use on the highways, whether for the purpose of resale of used parts, for the purpose of reclaiming for use some or all of the materials, whether metal, glass, fabric, or otherwise, or to dispose of them, or for any other purpose."

Pursuant to Section 11504, the department shall to obtain the following information for the purpose of licensure.

**INSTRUCTIONS:** Print clearly in black ink or type. Sections A – C must be completed in its entirety or your application will be returned.

**A. FIRM INFORMATION:**

DISMANTLER NAME		AREA CODE/TELEPHONE NUMBER (    )	
ADDRESS	CITY	STATE	ZIP CODE

**B. APPLICANT ACKNOWLEDGMENT: Copies of items 1 - 4 must be submitted with application.**

1. I have complied with the **Board of Equalization** requirements and have been assigned resale permit number \_\_\_\_\_.
2. I have complied with the **Franchise Tax Board** requirements and have been assigned tax identification number \_\_\_\_\_.
3. I have complied with the State Water Resources Control Board requirements and have been assigned **Storm Water Permit** number \_\_\_\_\_.

In 1990, the United States Environmental Protection Agency developed permit regulations under the National Pollutant Discharge Elimination System to control storm water discharges associated with activities identified by the Standard Industrial Classification (SIC). Consequently automobile dismantlers with a SIC Code of SIC 5015 must comply with these regulatory requirements.

Only a Storm Water Permit will be accepted for application purposes. The Notice of Intent issued by the State Water Resources Control Board to obtain a Storm Water Permit will not be accepted for licensure purposes.

4. I have complied with the **California Environmental Protection Agency** requirements and have been assigned identification number \_\_\_\_\_.

Department of Toxic Substance Control (DTSC) is one of six Boards and Departments within the California Environmental Protection Agency. The DTSC regulates hazardous waste in California specific to laws that affect hazardous waste applicable to handling, storage, transportation, disposal, treatment, reduction, cleanup and emergency planning. Consequently, essentially all business generators of hazardous waste in California must have a California ID Number.

A "generator" as defined in Section 66260.10 of Title 22, Division 4.5 of the California Code of Regulations is any person, by site, whose act or process produces hazardous waste identified or listed in Chapter 11 of this division or whose act first causes a hazardous waste to become subject to regulation.
